Добрый день уважаемые родители!

Invitation to the 5rd GymMar summer party on 22.07.2025 from 6:00 – 9:00 pm

Shortly before the summer holidays we will celebrate our summer party, to which all parents and friends of our students are cordially invited. We kindly ask for your support to make this celebration as diverse and joyful as our students are. School lessons will take place on Tuesday, 22.07.2025, between 10:25 am and 2:25 pm. Please inform us, if your child requires full-time supervision on that day.

Cook a typical dish from your country for our summer festival buffet of nations!

We would like to offer culinary delights from all the countries where our students' families come from. Your offer for the buffet can be small and inexpensive but should be typical for your country. Perhaps you would like to prepare your meal with other parents or children - and get to know each other better? Please keep in mind that due to the high temperatures in summer, fresh ingredients should be used and especially minced meat should be well-cooked. We will accept your food donation at **6:30 pm in House D**.

Present your food to the guest yourself!

Maybe you could help us with setting up the buffet? Sell your food for a small donation together with our students and other parents and, if you like, explain what you have prepared. If you are interested, we look forward to welcoming you at the event personally. Of course, other adults and students can translate for you if necessary. In good weather conditions, the buffet is served between House C and House D. Your support is needed between 6:45-7:45 pm.

Music and dance performances are welcome!

Would you like to perform local music or a traditional dance? We would be very happy to give you the opportunity to do so at our summer party. Every contribution is welcome - whether alone or with family and friends. Please tell us how we can contact you in the section below.

We are looking forward to a successful party!

Kind regards,
Nathalie Meunier
